Talent Coach (Talent Match)

£23,000 per annum

37 hours per week (job share considered)

Fixed term contract until 30 June 2019

Main base: TMS Offices, Lichfield

**Are you passionate about supporting young people?
Do you have the skills to help somebody move closer to paid work?**

If yes to the above, this role could be for you!

We are seeking enthusiastic and self-motivated individual(s) who can empower and inspire others to make positive changes in their own lives.

As a Talent Coach you will be responsible for supporting young people with complex needs through assessments, developing action plans, providing one-to-one coaching, guidance, encouragement, inspiration, and any other assistance needed to help those young people to move into work.

Teamwork, creativity, innovation and a belief in the potential of young people are essential.

Although initially a fixed term contract, this position offers an exciting opportunity to play a lead role in the ongoing development of Talent Match Staffordshire CIO.

We have exciting and ambitious plans and are looking for a likeminded Talent Coach to help us bring them to fruition, and secure a successful future for Talent Match beyond June 2019.
